51

THE ARMY AND NAVY CLUB
WASHINGTON

8 Oct 1947

Dear Admiral,

Thanks very much for seeing me.

I am submitting herewith Form 57 and additional information.

I believe firmly that my background, education and experience qualify me for a position in your organization. If accepted, I am more than eager for duty in Europe. My French is only fair but [] speaks fluently. The lack of food and fuel in quantity in Europe is no deterrent.

I appreciate your consideration in this matter.

Very sincerely,

[]
